

JAEN PINOT NOIR 2014

9,50€

Organic red wine 13% alc.

An interesting blend we didn't think would work initially. But in the end we bottled it. The contrasting flavours complement each other in a very interesting and unique way. Serve cool. Good with light food. "A Summer Wine"

Artisan winemaking. All our wines go through this basket press, a classica design that gives a soft and slow press.
